Head Start Preschool and Early Head Start

- Head Start Preschool is a center-based preschool program that operates full-day classes for children 3-5 years of age.
- Early Head Start offers center-based and home-based early education services year-round for children 0-3 years of age.

Early Learning and Development

- We build strong relationships as the foundation of learning.
- We support learning through play, creative expression, and guided activities.
- We support children's social and emotional development.
- We promote early math and science concepts in English and the children's home languages.
- We promote language and literacy development in English and the children's home languages.

Health and Wellness

- We promote physical development, both indoors and outdoors.
- We serve breakfast, lunch, and healthy snacks.
- We provide medical, dental, hearing, vision, and behavioral screenings.

Family Partnership and Well-Being

- We provide parent and family services.
- We help families find assistance during challenging times.
- We help families identify and reach their goals related to housing, employment, education, and parenting.
- We invite parents to share information and insights about their child.

Disability Services

- We build on children's strengths.
- We individualize and collaborate experiences to meet the needs of each child.
- We collaborate with parents and community agencies when further assessment is needed.

Mental Health Services

- We help families understand and support their child's needs.
- We can assist with mental health services for children and families, if needed.
